

Dimension	351.4mm (L) × 81.4mm (W) × 33.5mm (H		
Port	RJ45*2;RESET*1		
RJ45 PREV I OUS	For connecting to the DSP or daisy-chain the previous A40 Array Mic		
RJ45 NEXT	For daisy chain the next A40 Array Mic		
RESET	Factory Reset Pinhole		
Microphones Type	24 MEMS microphones array		
Sensitivity	-38dBV/Pa 94dB SPL@1kHz		
S/N	63dBV/Pa 94dB SPL@1kHz,A-weighted		
Power Supply	Via RJ45 port, powered by DSP		
Input	48V === 80W Max.		
Operating Temperature Range	5°C-35°C		

Important safety information • Read these safety instructions and the instruction manual of the product.

• Always include this instruction manual and the safety guide when passing the product on to · Only use attachments, accessories and spare parts specified by the manufacture $\bullet \, \mathsf{Do} \, \mathsf{not} \, \mathsf{attempt} \, \mathsf{to} \, \mathsf{open} \, \mathsf{the} \, \mathsf{product} \, \mathsf{housing} \, \mathsf{on} \, \mathsf{your} \, \mathsf{own}. \, \mathsf{The} \, \mathsf{warranty} \, \mathsf{is} \, \mathsf{voided} \, \mathsf{for} \, \mathsf{product} \, \mathsf{vol} \, \mathsf$

opened by the customer. been damaged in any way, liquid has been spilled or objects have fallen into the product,

• Do not operate the product if it was damaged during transportation. Always run cables so that no one can trip over them. • Keep the product and its connections away from liquids and electrically conductive objects that are not necessary for operating the product.

• Do not use any solvents or aggressive cleaning agents to clean the product.

• Avoid installing the microphone directly next to unwanted sound sources, such as air vents or • Caution: Very high signal levels can damage your hearing and your loudspeakers. Reduce the volume on the connected audio devices before switching on the product; this will also help prevent acoustic feedback. • This product can interface with electrical equipment such as tape recorders, TV sets, radios, Safety instructions for installation

 Observe the following safety instructions when during the product installation. $\bullet \ \, \text{The physical mounting and all electrical installations must be performed by a specialist.}$ • The specialist must have sufficient professional training, experience and knowledge of applicable provisions, regulations and standards to be able to properly assess the work assigned to them, identify possible hazards and take appropriate safety measures. • When mounting the product, observe and follow all local, national and international regulations

• To prevent injury, the product must be securely fastened to the ceiling as specified in the *Please select the appropriate screw accessories according to the wall material

**Please purchase the corresponding length of cable for daisy chain according to the scene size. For customers in the U.S.A.

Regulatory Compliance This device complies with Part 15 of the FCC Rules. Operation is subject to the following two any interference received, including interference that may cause undesired operation. Caution: The user is cautioned that changes or modifications not expressly approved by the

party responsible for compliance could void the user's authority to operate the equipment

device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with guarantee that interference will not occur in a particular installation. If this equipment does ause harmful interference to radio or television reception, which can be determined by turning e equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: —Reorient or relocate the receiving antenna.

Connect the equipment into an outlet on a circuit different from that to which the receiver is

—Consult the dealer or an experienced radio/TV technician for help. For customers in the Europe

EU Conformity Statement

Products marked with this symbol cannot be disposed of as unsorted

Battery Directive-2013/56/EC

Battery in the product complies with the European Battery Directive 2013/56/EC. For proper recycling, return the battery to your supplier or to a designated collection point.
